

Alex Morgan

Operations coordinator

PROFESSIONAL SUMMARY

Operations coordinator bringing structure to busy teams. Experienced in service delivery, process improvement, and cross-functional communication. Builds thoughtful systems that help people do their best work.

EXPERIENCE

Operations coordinator

2022-03 – Present

Cedar Workshop (fictional) · Portland, OR

- Coordinated weekly service schedules for a team of eight across customer support and field operations.
- Created a shared request tracker to reduce duplicate follow-up and give stakeholders a clear view of delivery.
- Documented onboarding processes and trained two new coordinators on day-to-day systems.

Program assistant

2021-06 – 2022-02

Northline Collective (fictional) · Portland, OR

- Supported community programs from planning through delivery, coordinating venues, suppliers, and attendee communications.
- Prepared weekly reporting and maintained an organized resource library for the wider team.
